

# Terms and Conditions

Each time Gazza's Disco is hired out the following terms and conditions are shared with the customer. As the person booking the disco, you are allowing Gazza's Disco to provide a service at your event. By doing so, you have entered into a contract which carries your acceptance, in full, of these booking terms...

1. No alterations may be made to this document by you the customer or G. Clarke, the business owner.
2. Booking fee. You have paid a non-refundable booking fee, **not** a deposit. A **booking fee** is a charge for the service of **booking**, and by providing you **with a booking**, you can't ask for a refund, as the service has been provided. This covers admin time and costs.
3. Cancellation. You have the right to cancel at any time. You would not receive a refund of your booking fee payment. If cancelling within 7 days of the event then you would be responsible of paying 50% of the total outstanding. There would be no other costs if you were to cancel at any other time.
4. Overtime charge. The times you have booked are the times you have agreed with Gaz already. They are outlined in your booking confirmation. Any extension to the agreed timescale will be charged on the night. This will need paying BEFORE the extended time commences otherwise the DJs have the right to stop at the agreed time.
5. In the unlikely event that Gazza's Disco is unable to attend due to a sudden illness or accident then Gazza's Disco will endeavour to provide a suitable substitute service and you, the customer, will be informed.
6. In the unlikely event that Gazza's Disco fails to attend your booking, where the reason for non-attendance is caused by adverse weather conditions (including snow and flooding), road closure, traffic accident, acts of terrorism, industrial action or other circumstances deemed beyond our control, then you would not need to pay any further money. You would not receive a refund of your booking fee but would receive a refund of any money that you had paid prior to the day of your event.
7. In the unlikely event that Gazza's Disco is late to your event due to any of the above reasons in point 6 then a negotiated amount would need to be paid in full before the disco begins or if already paid in full you would receive a partial refund (50% of the full amount, inc. booking fee already paid).

8. As the customer you are responsible for ensuring safe and adequate power is available for us to be able to provide the disco. Power sources should conform to the HSE EAW Act 1989, and amendments thereafter. Copies of venue Electrical Installation Safety Certificates (Periodic Inspection Report to NIC EIC standards) must be made available upon request by the venue under LAW.
9. You as the customer should have noted how long it will take to set up the disco from when we arrive. This is outlined in your confirmation letter. If we are unable to gain access at the point of arrival then this will impact on the time we start the disco.
10. Gazza's Disco has agreed to provide proof of Public Liability Insurance and PAT certificates if required by the venue. Please note that these are currently renewed at the end of January each year.
11. Filming and security. Gazza's Disco has the right to film or photograph in a public place. Throughout the event we run a 'Go-Pro' camera system that films the actions of your guests on and around the dancefloor area. This is for the protection of ourselves and to help prove any responsibility for damages caused to the disco or other equipment in a court of law.
12. Damages. As the hirer of Gazza's Disco it is your responsibility to pay for any damages caused as a direct result from your guests. This includes children not being adequately supervised by parents. Any damages caused will be photographed or captured on video surveillance equipment and you would be asked to pay for the repair or replacement of equipment.
13. Drunk and disorderly. Gazza's Disco appreciates that people can become intoxicated through drink at such events. However if this causes the DJs to feel threatened in any way or for equipment to be damaged then Gazza's Disco has the right to stop the music and the event until the offender/s have been escorted from the premises. In more extreme situations, the police will be called.
14. Photographs. If you have booked the Gold package then your photos will be shared on social media. This may include images of children. It is your responsibility to inform me of any children who should not be put onto social media such as Facebook for safeguarding reasons. If you, as the hirer, do not inform one of the DJs of this then all of the images taken on the night will be shared on social media.
15. Strobe lighting. Strobe lighting will be used on the night to help create atmosphere and add that extra 'dancefloor vibe'. This can affect people with severe epilepsy. Again, as the hirer, it is your responsibility to inform me prior to the event of any of your guests that suffer from this so I can leave the strobe lighting off. Unless you inform me otherwise, strobe lighting will be used.

In allowing Gazza's disco to perform at your event you have read these terms and conditions and are in full agreement of them.

Many thanks
