played during your wedding breakfast as well as the evening reception. You will also have full use of my wireless microphone for the speeches. Not only this but I can also capture some epic images of your day from start to finish which you'll receive once edited & enhanced. AN ABSOLUTELY AWESOME DEAL!

Please keep in mind that if you wish to pick and choose from the different packages then I can tailor a package for you and give you the best possible price I can.

EXTRA MUSIC TIME... Bronze, Silver & Gold packages cover you for up to 5 hours of music (typically 7pm – 12 midnight) If you require longer then I charge a flat rate of £50 per additional hour of music extra to the package you have chosen. The beautiful white LOVE letters

These are a new addition to Gazza's Disco and are already proving to be popular as you can't hire these particular letters any cheaper than I am hiring them out for. They are not your 'normal' LOVE letters. These are colour changing so you decide which colour you would like them setting to and they can even pulsate to the music, giving an awesome and unique effect to your night once the party gets started! These are individually priced depending on the package you opt for.

Have a look now at some of my wedding albums on Facebook to see other confetti shots we have captured!
